Dedication

Everyone has noticed a certain teacher who roams the hall of Jackson High School with a warm smile and sharp hello, Mr. Cecil Ramga.

Mr. Ramga was born in Auglaize County, Ohio. He graduated from Wapakoneta High School and received his degree from Ohio Northern University.

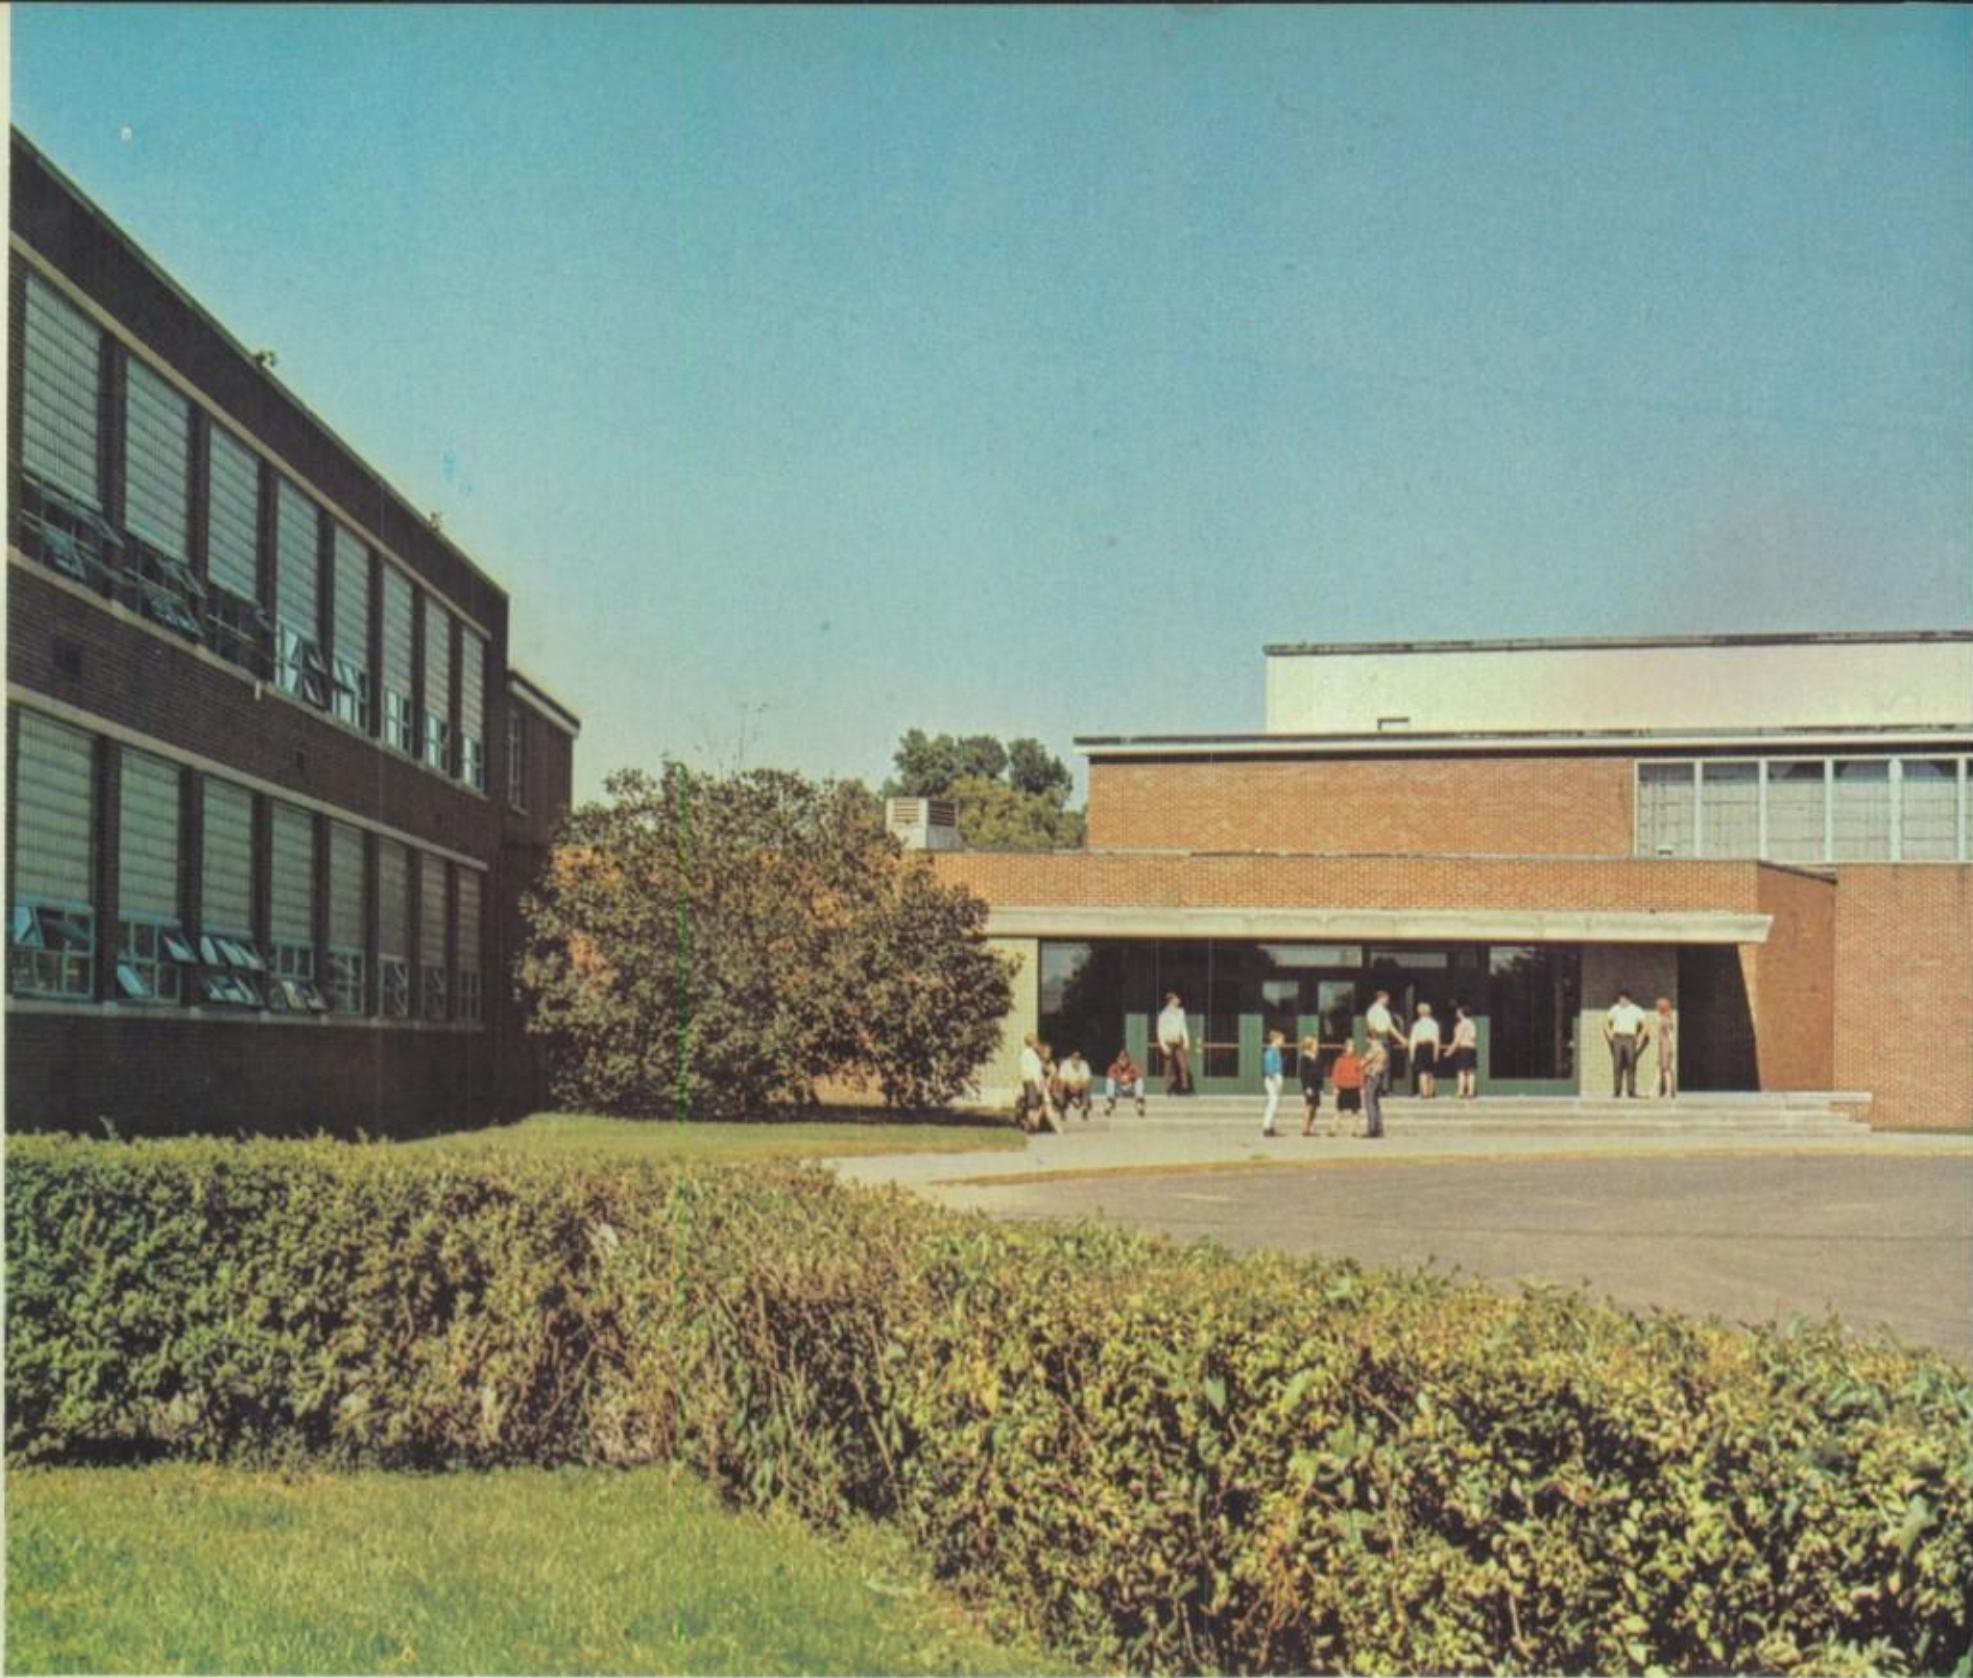

Mr. Ramga is the teacher with the longest years of service to the Jackson Local School System. He came to Jackson in 1928 with seven years of past experience. He has served Jackson as Principal of the fourth through eighth grades, sixth grade teacher, biology teacher and general science teacher.

Mr. Ramga with his wife, Mildred, resides on a farm on Evergreen Drive near McDonaldsville. He has three grown children all of whom he is very proud of.

In McDonaldsville he is an active citizen and church leader. He has held many positions in the McDonaldsville Church and is presently the Treasurer of that Church.

All these responsibilities are great but we of the annual staff feel his greatest responsibility for the past thirty years has been the Scoop. It takes hard work and patience to put an annual together, but to have put thirty annuals together in the past thirty years demands recognition—So we of the annual staff would like to dedicate this, the 1968 Scoop, to Mr. Ramga and say thanks from ourselves and from all past staffs.

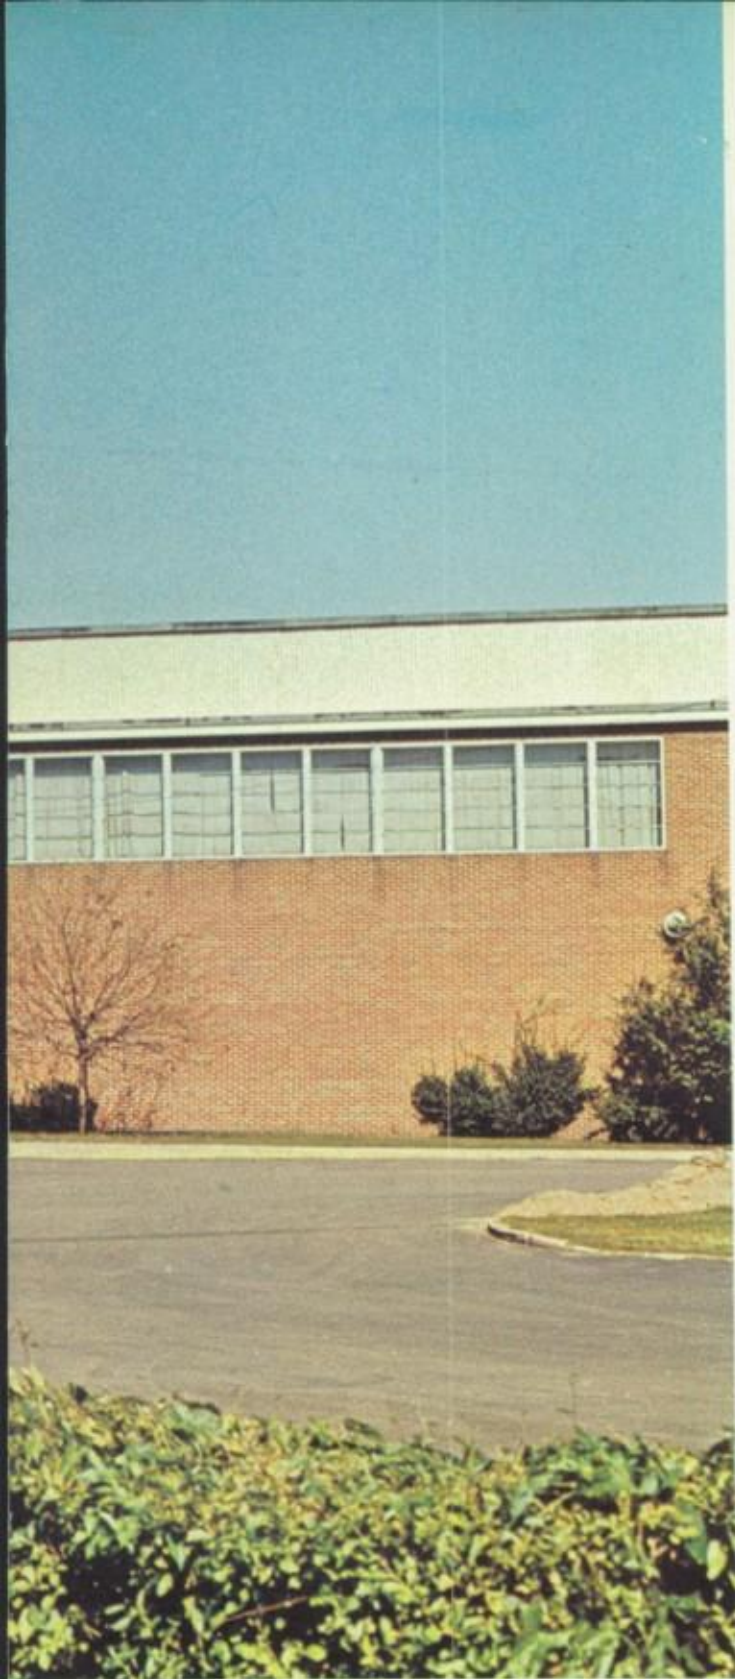

We have learned to be citizens of the world, part of our community . . .

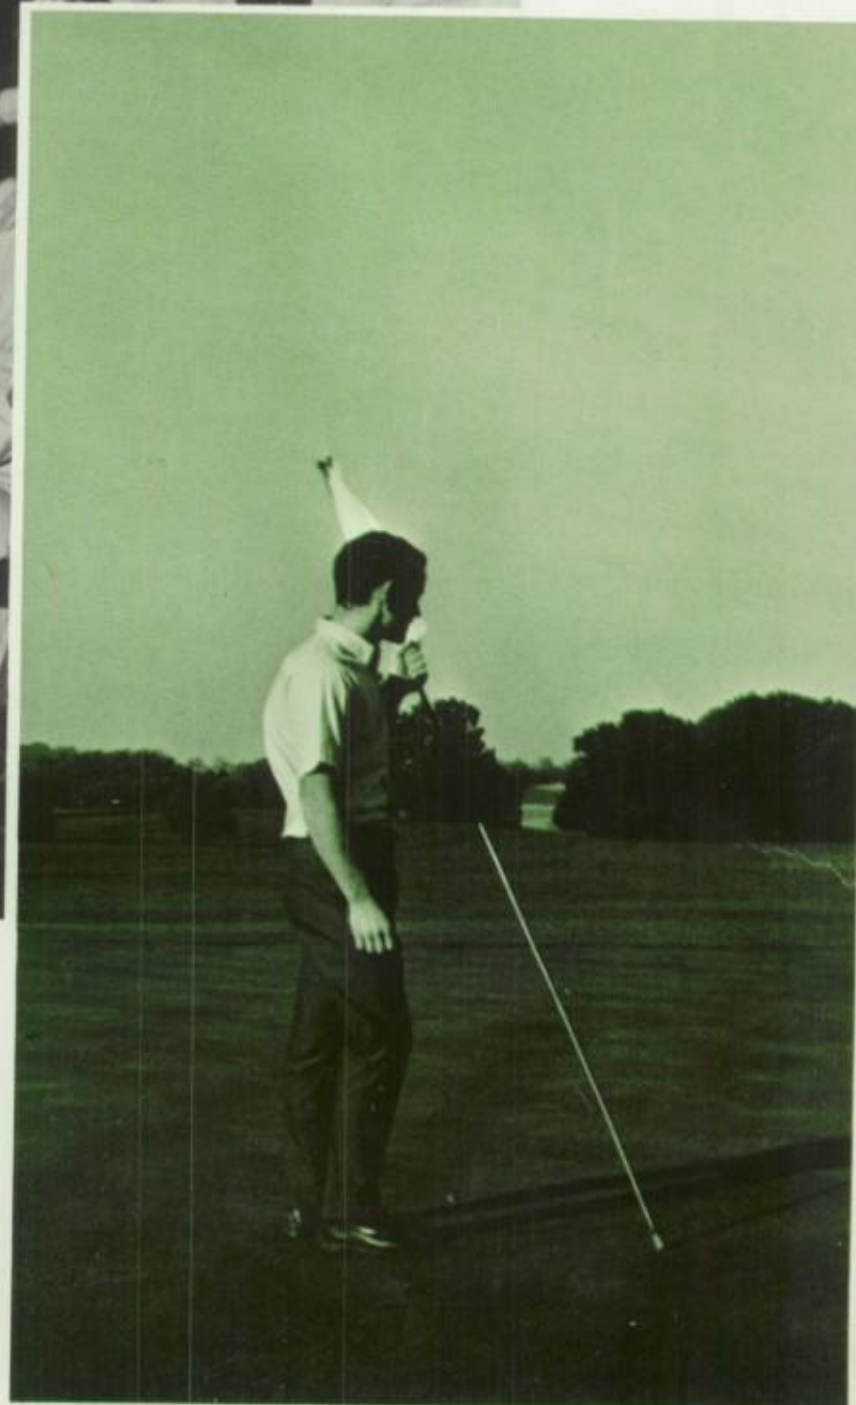

To people outside our school Jackson is a building in which students gain an education in mathematics, science, and literature. However, to us it is the Home of the Polar Bears, our home. Here we have found friendships that will remain dear to us the rest of our lives. Jackson has helped us as we have had to develop our personalities, ideals, and concerns. We have learned, in our small way to care for other people in the whole world and in our community.

As we help our community through various projects, drives, and activities, it in turn aids us by supporting us in school functions. Our community grows with the cultures added by new people. Whether we know it or not Jackson Memorial High School and our community are opening to us the closed doorway of the past and teaching each one of us to enter the doorway of the future.

"Pleasure

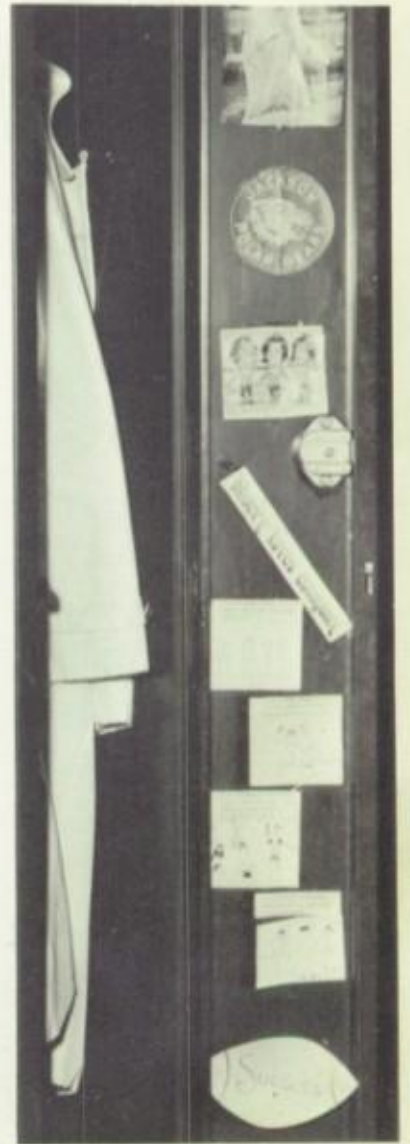

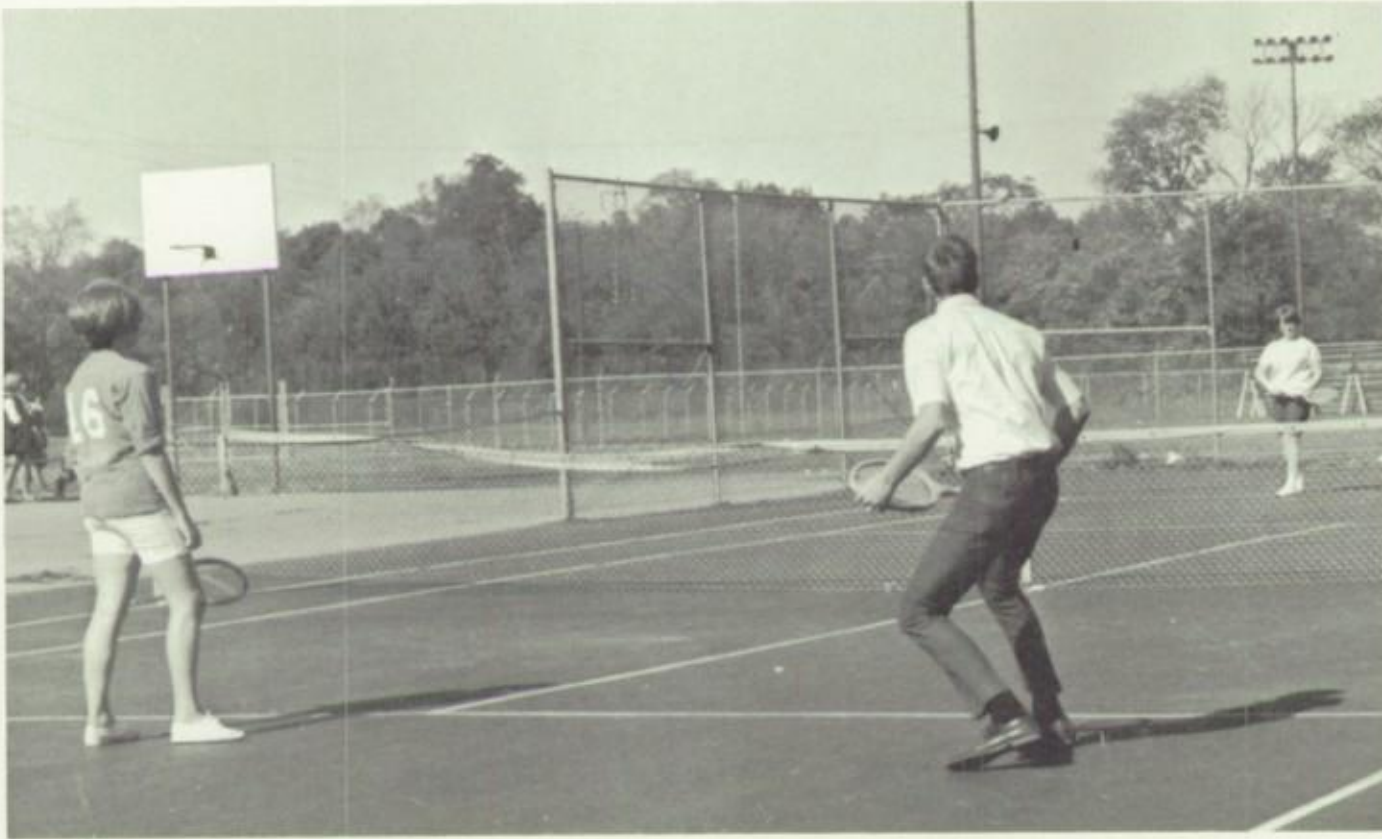

Jackson students work diligently to improve the community, at the same time enjoying the fruit of community-provided recreation. When school has ended for the year, Jackson students flock to the Lake Cable Beach Dances to see their friends. The Fireman's Festival and Stark County Fair always provide a chance to win a girl a stuffed animal or ride the ferris wheel. A game of golf on the Green links of the local country club or a rousing game of tennis is enjoyed by many of the students throughout the summer.

The spirit of entering the community is evident in the qualities of our students. The imagination essential to community life may be expressed in simple ways; a decorated locker, school spirit displayed at football games, the gay laughter of an enthusiastic cheerleader, improve not only the community, but also the school itself.

Tasteth Well After Service."

T. Fuller

"Real Joy Comes Not From Ease Or Riches"

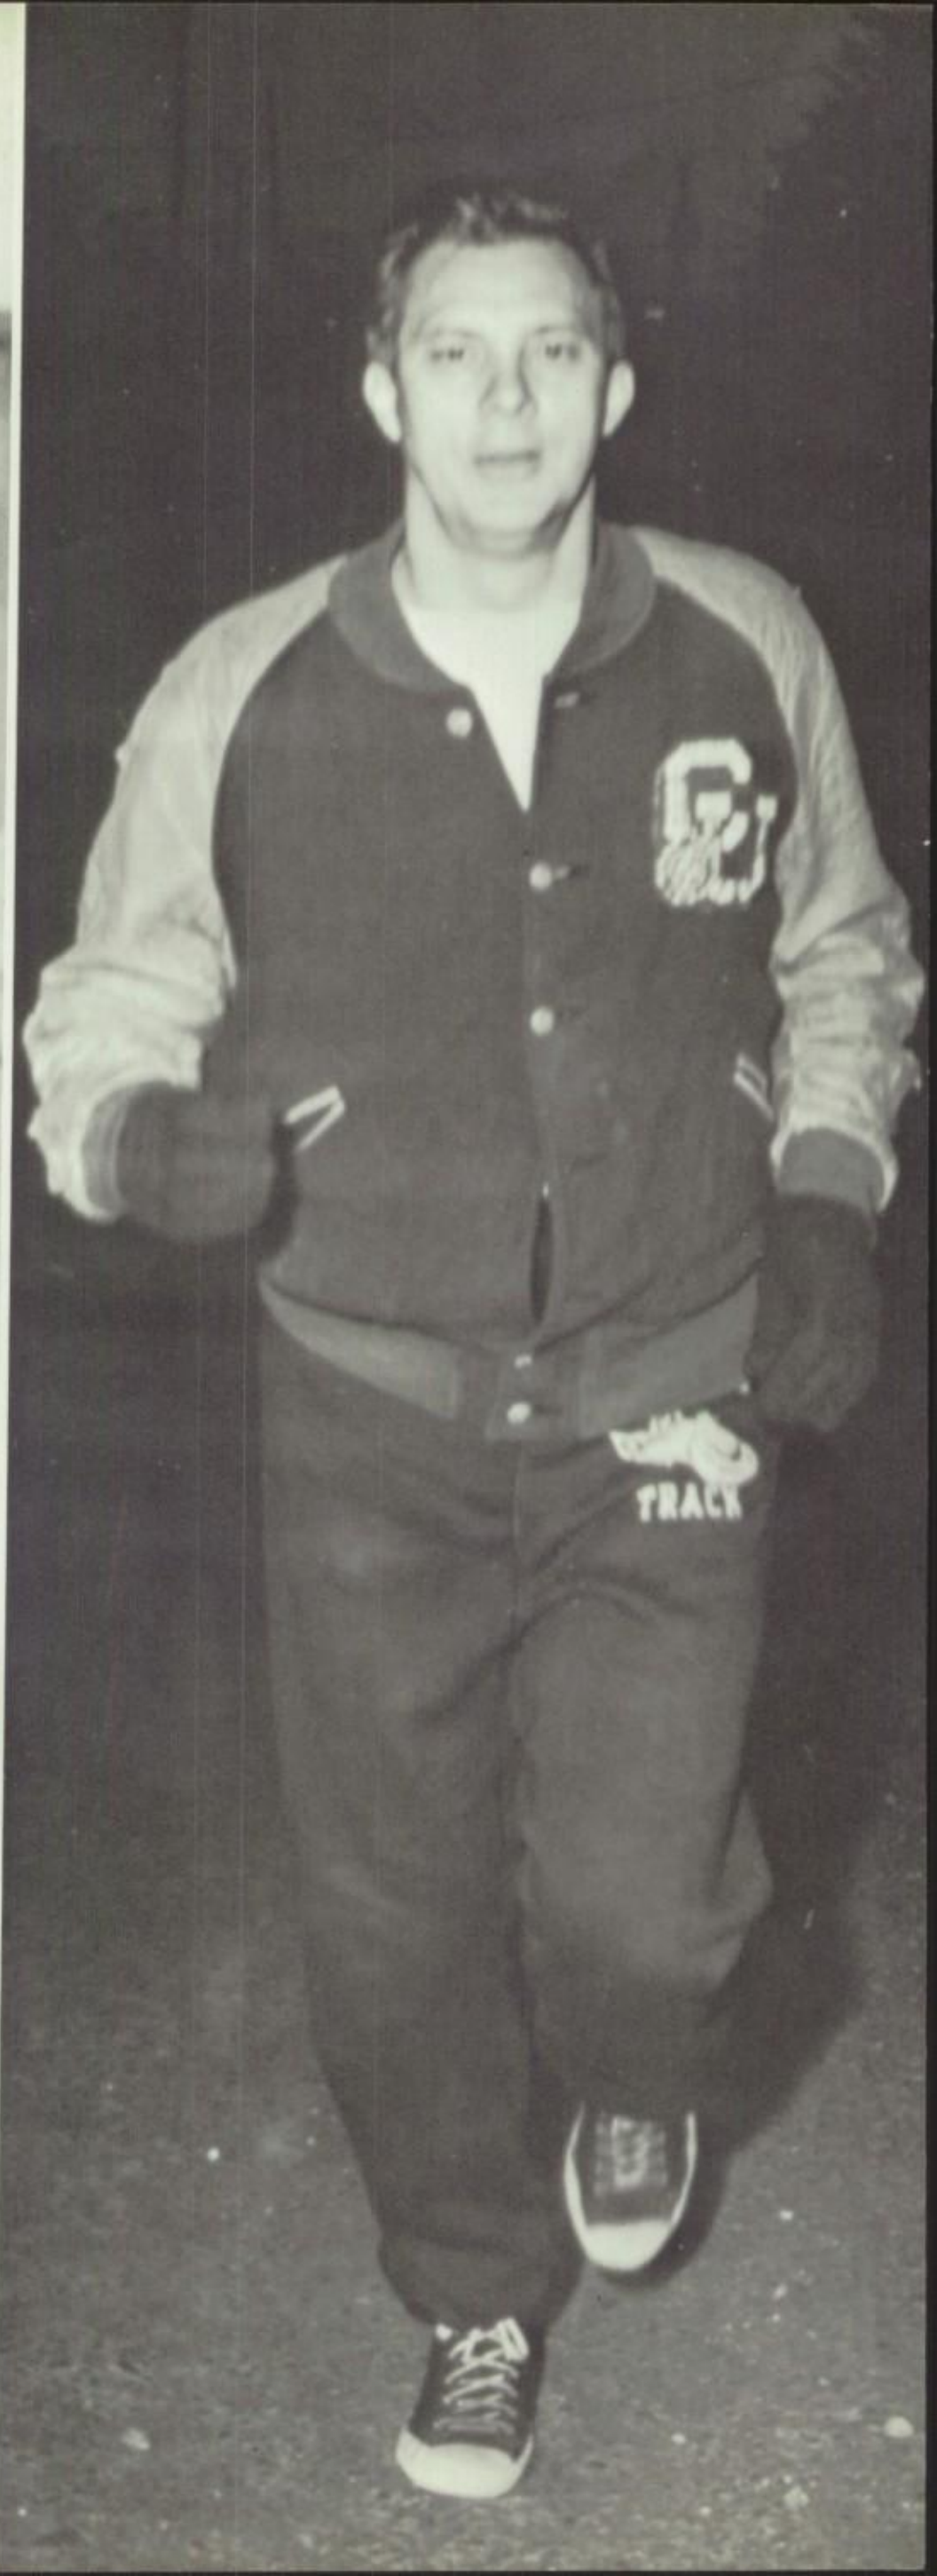

Growing up tends to make us more aware of the world and its problems. We soon realize that there are many problems in the world greater than our own. Jacksonites strive in many ways to help solve them. Our students devote much of their time to jobs in the community. They create an image of Jackson in their individual jobs, group efforts, and religious convictions.

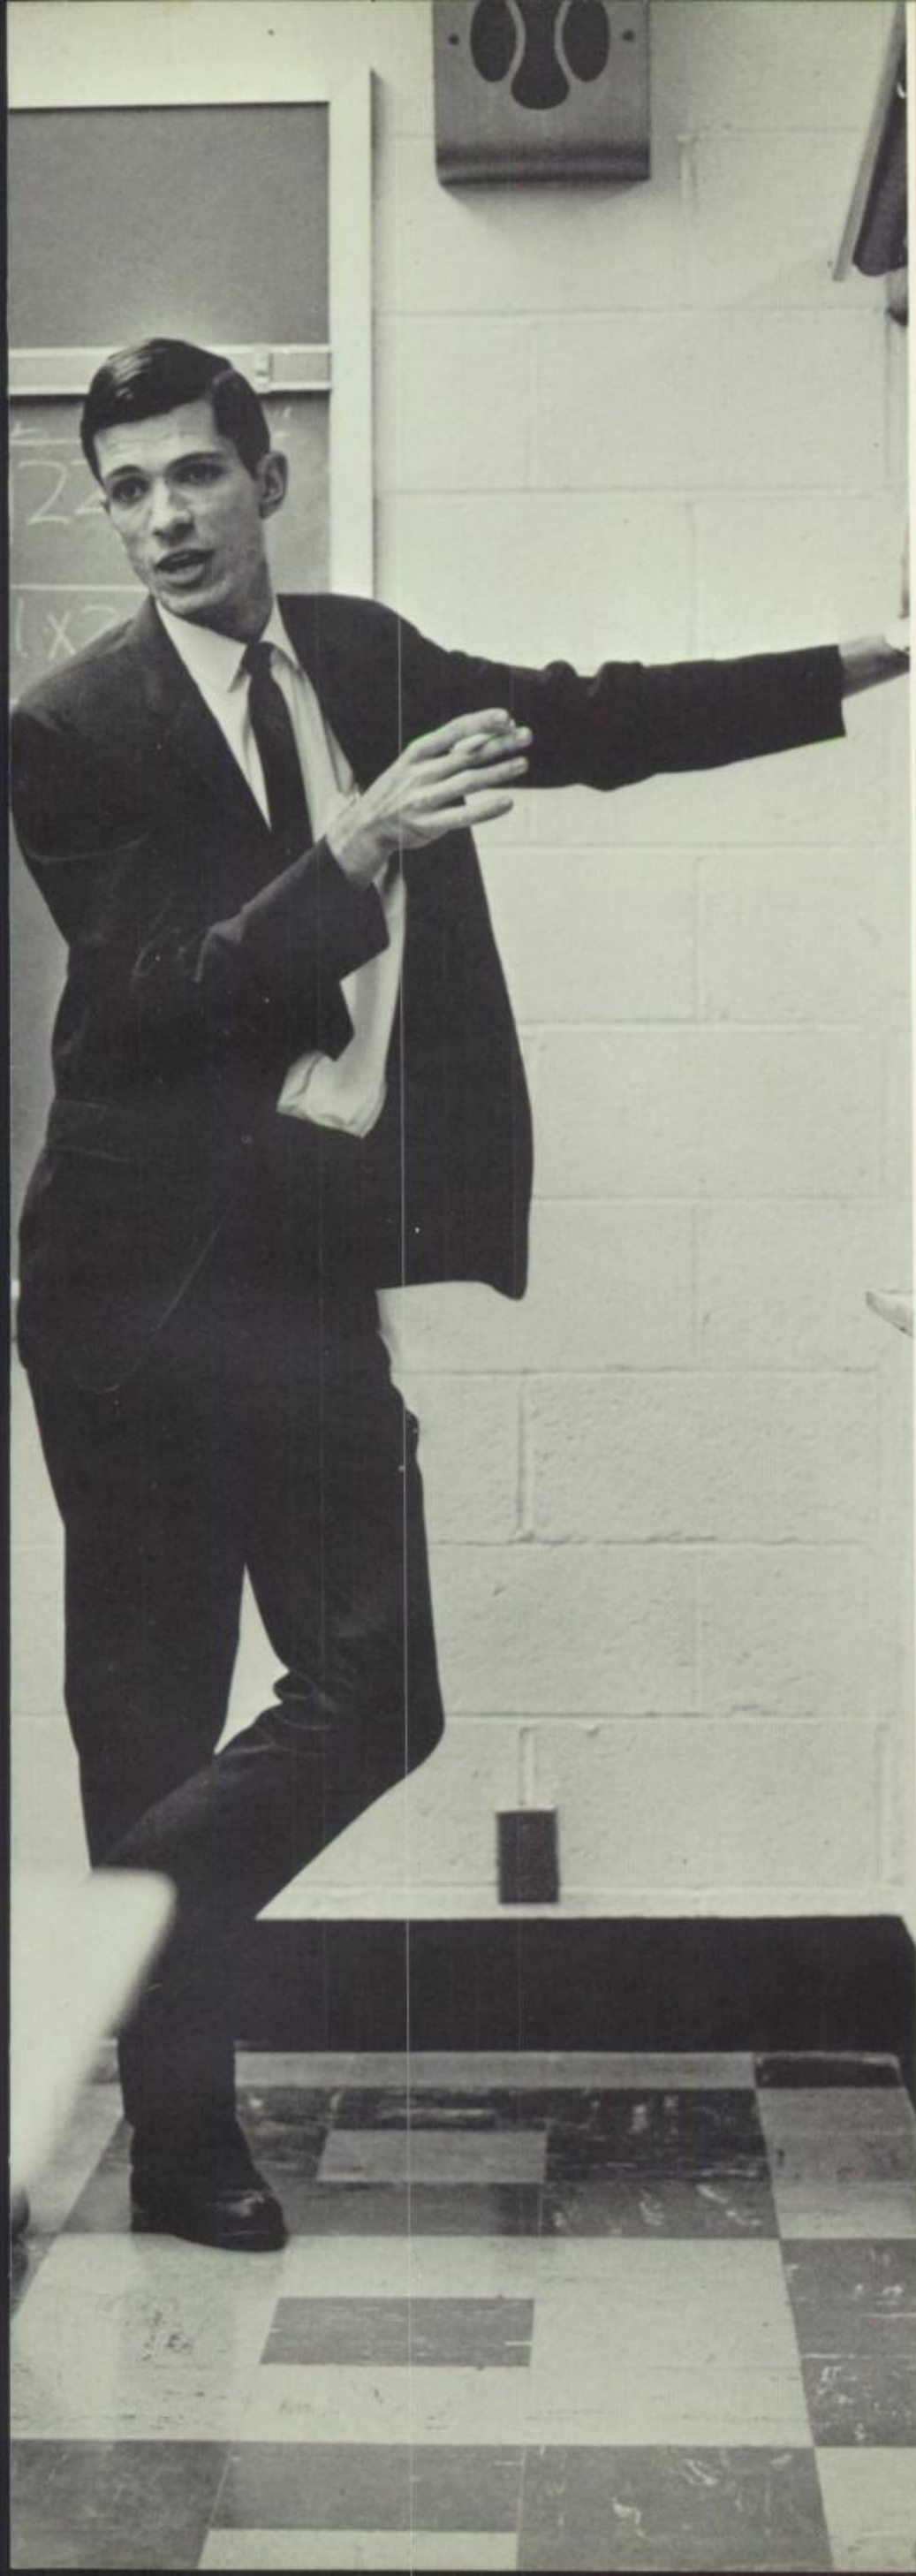

We enjoy a Friday night football game, then Saturday morning we have the same enthusiasm cleaning up the field. The voice and spirit of Jackson are echoed throughout the community as we try to help old folks and those who are underprivileged. Jackson's students give added life and vigor to our community as they devote their efforts to the creation of a better world.

Or From Praise Of Men, But From Doing Something Worthwhile.”

Mr. Tallman (above), our superintendent, moved to Jackson from Columbus Grove two years ago. Mr. Tallman, with all his energy, manages to cover everything with ease and confidence. MISS NANCY NUTTER

A school year is made up of hard work, frustration, and worry, but when one looks back over the year he also remembers the fun, the satisfying feeling of accomplishment, and hopes and dreams of the year ... this year bears many fond memories. We remember the great spirit displayed by the student body when we were led by the "charming" senior boys, the extracurricular clubs, the dances and the preparation required for each one, the many programs, the knowledge we have gained not only in academics but in how to be a better individual, the winter fire drills ... and all the laughter that helped make this year a memory to cherish.

Bells And Beaus Present

Even with all the pressure in their lives the families still found time for laughter and gaiety.

The romance between Anne and Peter made the play complete.

Happy Hanukkah

They were continuously alarmed by strange noises and the ever feared sound of the Gestapo.

The Diary Of Anne Frank

Miss Blachly directed the play assisted by Jim McCallough as student director.

Anne showed her resentment for Mr. Van Daan when she imitated him to her father and Peter.

In November the Dramatics Club put on the Diary of Anne Frank, a play about two Jewish families who sought seclusion from the Nazis in an attic of an Amsterdam warehouse. The audience lived with these people in their hopes, their dreams, their conflicts, and their troubles.

The leads, portrayed by Nan Gillis and Chuck Blank, and the entire cast worked together to put on a performance that the audience will long remember.

Mrs. Van Daan gained a friend when she allowed Anne to wear her coat.

The inner feelings of a young girl were brought out in the confidence of her diary.

The lobby at noon was always crowded with groups of friends.

I've only got 99 left, anyone want one?

Even teachers got in good with Santa at Christmas.

It couldn't be that bad, Dawn.

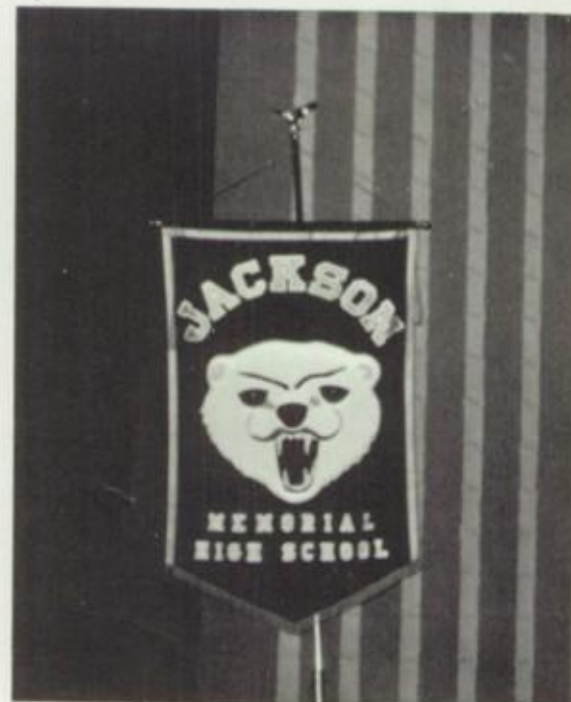

Physics class proved a challenge to one's intellect.

Monday Morning—only 1,289 days till graduation.

This is obviously not the "Metrecal for Lunch Bunch."

The Senior Class presented this flag to the school at a rally.

We got off a day for this wonderful weather.

The sweet taste of victory.

3:35 at last!

Chemistry was strictly serious, well, maybe once in awhile.

The freshmen decided, "it wasn't all that bad."

We've got the boys on our team—they're great.

N.F.L. members kept Jacksonites in supply with paper, pens, and anything needed to do our homework.

CLASSES

The Senior Class Of 1968

CLASS FLOWER: White Daisy CLASS COLORS: Navy Blue and Yellow
CLASS MOTTO: "We will go forward remembering that the future is not in the hands of fate, but in ours."

Bruce Grant
President

Class advisors: Mr. Lindesmith, Miss McCoy, Mrs. Baxter, and Mr. Geib.

A class is much more than a group of students, more than 225 people subdivided into courses in a yearbook; a class is a close-knit unit of individual talents, personalities, feelings, and goals. As each group of unique individuals graduates, the happy events and sad moments of four long years pass into cherished memories in the hearts of youths transformed into adults. Yes, years will pass, and fond remembrances will spring up in thoughts of Mr. Henry's English class, the last football rally, the Perry game, the Senior cheerleaders, and the warm friendships that will never die. All of us have worked towards this moment, and most of us are not entirely glad that it's here. We will pass on to a new life, as others have done, but we will never disband. Long live the class of 1968, and may we meet again!

In Memoriam . . .

Kim Howenstine

In the fall of 1967 school year four Jacksonites were involved in an automobile accident which took the lives of two boys, Kim Howenstine and Larry Haverty.

Kim was a proud member of the Jackson senior class. He was an active supporter of every sports event from football to wrestling. He was everyone's pal; always with a friendly smile and sparkling hello in his eyes. A member of the Spanish Club, he had many hobbies. We will long remember Kim and all the fun we shared with him and we are thankful for the short time we had to be with him.

I used to be afraid of death, a dread and awful thing.
Of which I spoke with bated breath, of which I could not sing.
A lonesome trail misty and steep, full fearsome with its shadows deep.
But now I view it otherwise a way to love's abode.
I clearly see with tear-washed eyes death is a friendly road.
Of luring curves and luminous shade down which I'll go all unafraid.
For down that road, around the bend, beyond where I can see
I'll wave a hail to many a friend and clasp loved ones to me
With them and Christ what joy twill be to fare forth through eternity.

Larry Haverty

Larry was a sophomore at Jackson. He was a member of the Polar Bear varsity football team. He was very enthusiastic about participating in sports and he always gave his best. Having participated in baseball little league teams, he was a member of the high school team. Larry was one of those students who added extra spirit to the school and it certainly was a privilege to be his friends.

As the third year of our high school education is coming to an end, we see all the benefits resulting from all our work and achievements. The class of '69 has helped to better the relations between the school and the community by participating in the different fund-raising projects needed for the prom.

It was an honor and a pleasure to work with a class that has developed in character and attitude and I would like to thank all the people who helped to make the past year a successful one.

We Sophomores Have Gotten A Firm

1.

The class of '70 has now completed half of its high school education. We all look forward to our junior and senior years as we will be the upper classmen. We will hold more authority and have bigger responsibilities in our individual organizations and activities.

Next year we will also have to strive for better school pride and school spirit which were not at their greatest potential heights this year. To keep Jackson the great school that it is, we must emphasize these two important factors.

As Freshmen We Were

1.

It is the belief of the class of "71" that it would excel scholastically and athletically in its first year as a member of Jackson High School.

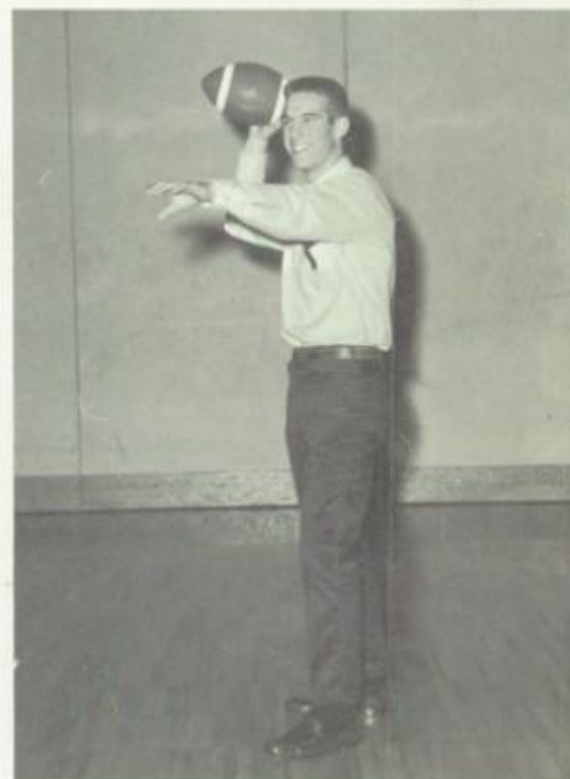

The class has fulfilled these goals; and in the future it promises to maintain its high scholastic average while excelling in extracurricular activities.

Student Council

Student Council acts as a channel between the student body and the administration; hoping to inform and interpret school wishes and policy. This year Student Council sponsored the "Beat Hoover Week," whereby each homeroom decorated their door and a prize was awarded to the best one. Student Council also participated in the annual March of Dimes sale and in a student exchange program with various schools in the county. In December Student Council decorated the school for Christmas and in February participated with Perry in an exchange assembly.

"You really wanna know what we talked about in Student Council yesterday?" asks homeroom representative, Brent McGinnis, hesitantly.

These letters are just one of many projects Student Council has done for the betterment of Jackson High School.

Student Council again this year sponsored the "Beat Hoover Week." This door from Homeroom 127 won 2nd place.

Art Service League

The Art Service League is a newly formed organization designed to assist the various clubs at Jackson with their art projects, and also to earn money for new facilities in the art room. The Art Service League this year plans to sell Easter decorations, sponsor a dance, and take a field trip to the Cleveland Art Museum.

This is not a service organization but an organization for enjoyment to those participating individuals. Annual dues are one dollar and all are welcome to attend the weekly meetings.

Y-Teens

Jackson Y-Teens has one of the largest Y-Teen memberships in the state of Ohio, consisting of 296 members. This year the Y-Teens had their annual formal at the Onesta Hotel on November 17, 1967, which 102 couples attended. For one of their service projects the girls made dolls out of hand towels and gave them to a rest home in Applecreek. In December they had an inspiring Christmas program at which three ministers from three different religious faiths attended and gave their individual interpretation of Christmas. The Y-Teens also had their annual mother-daughter banquet in March. The advisors of the club are Mrs. Day, who has advised the club for three years and Mrs. Morgestern, who helped advise the club this year.

Spanish Clubs II and III-IV

The Spanish Club offers its members an opportunity to be of service. It also provides a means by which its members can practice and familiarize themselves with the customs, the literature, and the arts of Spain and Latin America and thus increase the understanding and friendship between those countries and ours. The Spanish Club supplied Christmas gifts, food, and a Christmas tree to a needy family in Massillon this year.

Junior Classical League

The J.C.L. is very active throughout the year. In the fall they remember the poor by contributing food for their Thanksgiving dinner. The advanced students usually go to a museum or they see the Metropolitan Opera in Cleveland. The J.C.L. convention in Columbus is a great treat for many Latin pupils. The highlight of the year, though, is the banquet where everyone dresses as Romans, and food fit for Caesar is served by the Freshman slaves. Enthusiastically spurred on by Mrs. Rohrbaugh, the students have succeeded in forming many new J.C.L. chapters throughout the state.

Selling Jackson paperweights was one of the Latin Clubs money-making projects this year.

Latin club members contributed food baskets for the poor at Thanksgiving time.

Victory Requires Team Effort

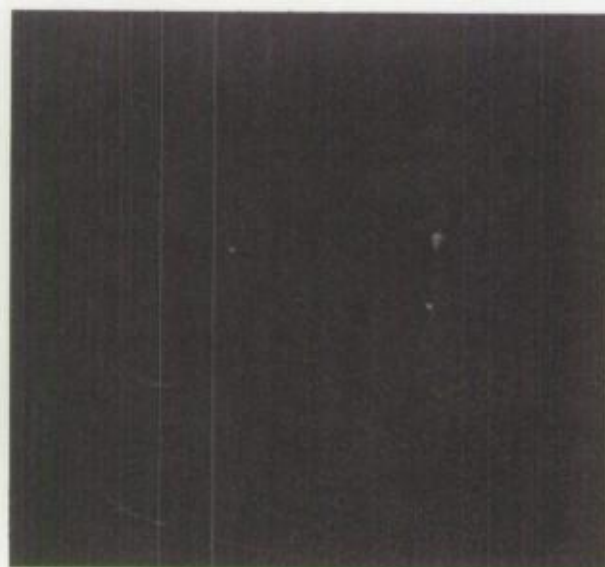

A new member of our coaching staff, Mr. Rohrer, did a great job with the line men.

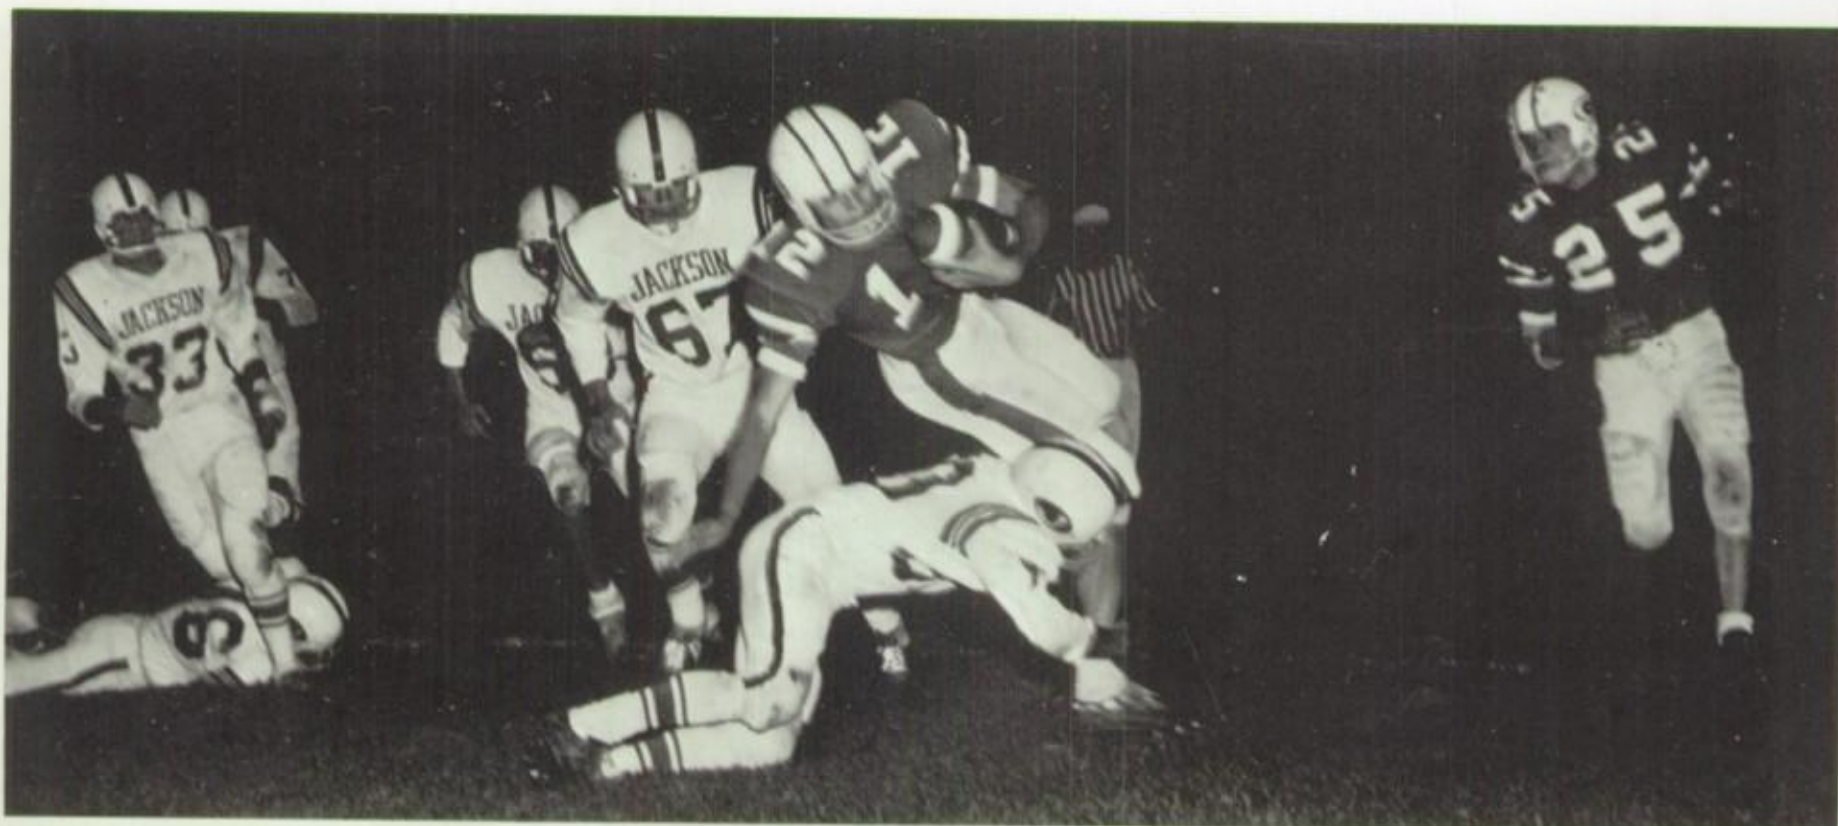

Ron Davis contemplates about the game which is a key to victory.

The spirit for the Dover game was up high!

Receiving a pass is a difficult task during a rainy game.

The bigger they are the harder they fall!

When you've laid aside your togs in your
final high school game,
And you know that future line-ups
will no longer have your name,
When that kind of heavy feeling
keeps a-tugging at your heart,
It's a mighty glorious thing to know
you played a part.

Gone now the kickoffs' eager thrill,
the shrilly whistles' blare.
No longer will the shouts and cheers
resound in autumn air;
The forward pass, the touchdown run,
are part of a dim-lit past,
The goal line stand, the booming punt
have ended now at last.

After giving hearty service on three Polar Bear teams
With their ever present drilling the way the coaches mean,
You can store away cleats and hang up all your gear
For all Jackson High regards you as a group without fear.

So to these senior players, both backs and line men too,
We pay this little tribute that we're passing on to you.
We give praise to Carnes and Detwiler—each one of them supreme,
And Johanning, Frailly, Young and Maurer rate high in our esteem.

Then Winnett, Cole and Ridenbaugh must be
placed among the best,
And Snee, Butzer, and Ake are worthy
as the rest,
And Essig, Richards, and Davis, although we
name them last
Are also mighty members of this
Polar Bear cast.

So those of us returning to carry
on next year
Watch your departure with regret
that's most sincere,
But despite the air of sadness no
matter where you roam,
We're mighty, mighty proud that Jackson was your home.

1. Coach Reese witnessed both success and failure during the past season.
2. Pat Frailly put out extra effort in the Glenwood game.

5. Bill Cole, aided by teammates, stops the Perry quarterback.

The Football Field

1. Students will long remember the speech by Mrs. Baxter at the Dover rally, where she literally "tore down" Dover.
2. The football team worked hard and long to get ready for the coming season.
3. Dan Detwiler gains some yardage against the Perry Panthers.
4. The boys all received due praise at our awards assembly.
5. Fans will never forget the rainy weather endured during the 1967 football season.

Cross-Country

Another first was added to the list at Jackson High School. This fall a cross-country team was formed under the guidance of Mr. Wyles.

Being the first year, it took much patience and practice which was apparent in their record for the year. The team had a tough schedule and finished 13th in the district.

Coach Wyles

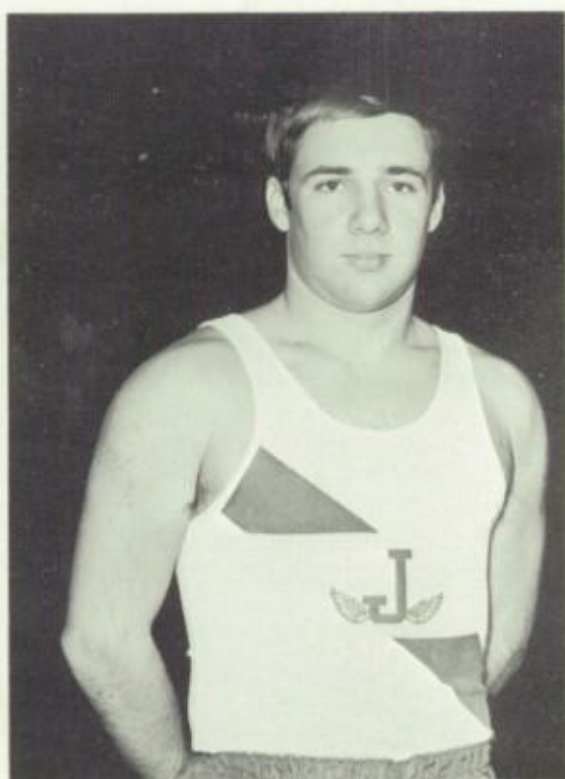

Five members of the team received varsity letters and four will be returning next year. Donn Ritchie, Tom Elavsky, Dick Paul and Rick Ball earned the Shoe award.

These Students Keep The Team Going

BASKETBALL '67-'68

Jackson tasted both victory and defeat this year. But records alone can't show what went into a season. In every game Jackson was fighting all the way, win, lose, or draw. Jackson students remember the heartbreakers at St. Thomas and North Canton; but they most remember the defeats they handed out to Fairless, Tuslaw, and Green, for example.

1967-68 was the year of the Polar Bear. This year was the beginning of a great future in basketball for Jackson.

Along with the new '67-'68 wrestling team comes a new wrestling coach, together making a hard working team. The matmen finished the season with a 3-5 dual meet record and second place tie in the Federal League.

Over Christmas vacation the team participated in the Louisville invitational tournament and out of nine teams brought back the runner-up trophy. Five members: Dave Underwood, Bob Mysza, Barry Schoen, Bill Winnett and Bruce Montgomery placed in the tournament at Louisville.

Finishing the season with the wrestling sectionals held at Louisville High School, the Jackson matmen placed fourth out of fourteen teams that participated and five matmen qualified for district tournament.

A Timken® bearing never asks about your race, color, creed or national origin.

The quality of our products depends upon the ability of the men and women we employ.

So it's no surprise that our employment policy is based only on your ability. Not on your place of birth, your religious faith, or the color of your skin.

One of our vice presidents describes it this way: "We hire **people**." We also recruit **people** on college campuses, train **people** in apprenticeship programs, promote **people** to better, more responsible jobs.

Our long-standing policy has been clearly and simply stated and restated as follows:

"The Timken Roller Bearing Company reaffirms its policy of treating all employees and applicants, whether or not they are members of minority groups, equally according to their individual qualifications, ability, experience and other employment standards."

It means we can select from all qualified job seekers, not just a chosen few. It gives us a larger labor market from which to pick.

And that's what we pick... the qualified. It takes qualified people, working under the best conditions, to make the best Timken® bearings, Timken steel and Timken rock bits.

ALICE IN APPLIANCELAND...

You probably recall that at one point in her adventures in wonderland, Alice found she had to keep running faster and faster to stay in the same place. We know how she felt.

Over the years, dozens of companies have challenged the leadership of Hoover cleaners . . . unsuccessfully. We've maintained our

leadership through a constant program of product development and improvement for our cleaners, and for our many other products.

So, in effect, we keep running faster and faster to stay where we've always been . . . in first place.

It isn't easy, but it would be a lot tougher without the dedicated skills of all the men and women of The Hoover Company.

AUTOGRAPHS

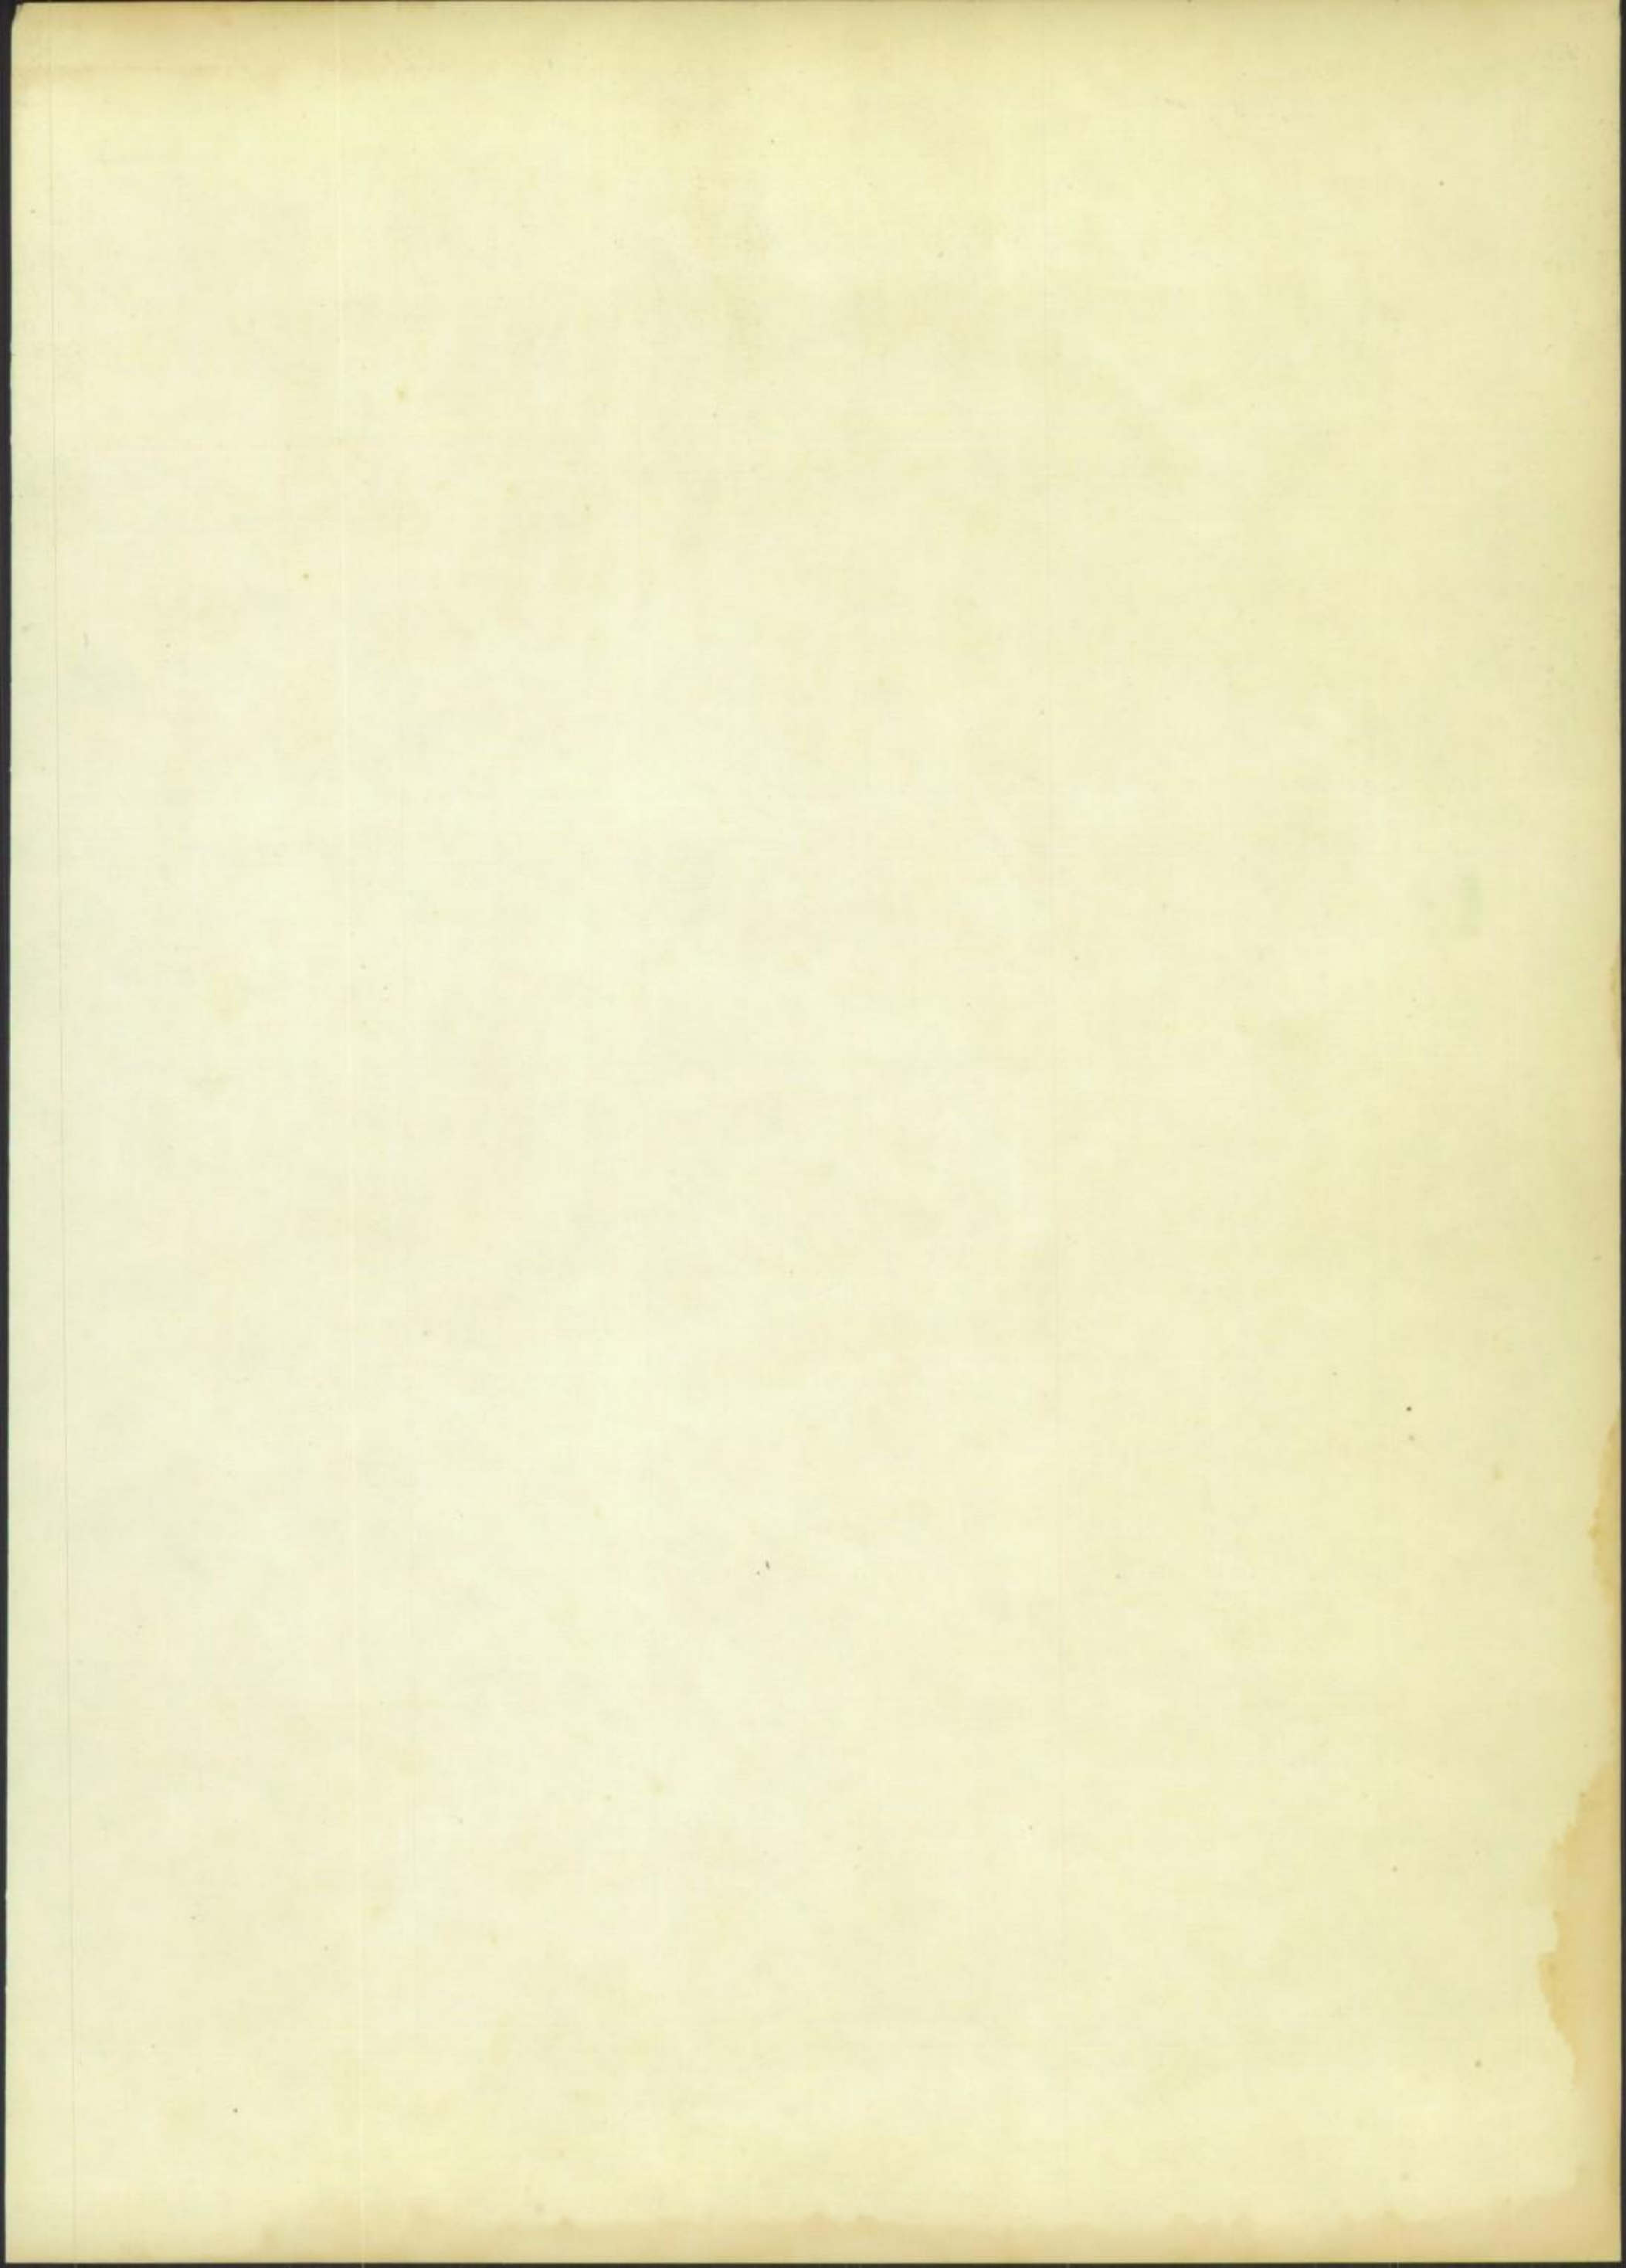

And so ends the 1968 school year. The graduating class will soon leave the halls of Jackson, but for those returning next year, Jackson will still be the home of the Polar Bears. There will be a new student body, led by new seniors, who will inhabit the halls and keep Jackson one of "the best" schools.

With the end of this school year comes the end of "our" Scoop. We have worked long and hard to make the annual a success and we hope that it will bring back many memories of this year. However, the annual could not have been possible without the joint efforts of many people. We extend sincere thanks to Mr. Cecil Ramga, our advisor; to Mr. Rex Johnson, our Taylor Company representative; to Troup and Pluto, to all members of the annual staff who spent so much of their time and energy to co-ordinate the book and to the administration and faculty and student body for all their enthusiasm and support.

Perhaps most important we extend a sincere thanks to Jackson High School for from it we are learning to be "citizens of the world, part of our community."

Commencement

On Monday, June 6, at eight o'clock the class of 1968 marched onto the football field to receive their diplomas. The evening was punctuated by tears, laughter and various mixed emotions. Kathy Penovich, who gave the valedictory address, commented on that. Kathy's speech echoed the sentiments of her classmates. Larry Zink pledged to uphold the high standards of the class of '68 after receiving senior plaque from Bruce Grant. Mr. Herbert Strawbridge was the main speaker of the evening. He remarked about his graduation and the challenge of the future. As the sun set, the high school days of the seniors came to an end.

Finally the big moment arrived. Each Senior waited impatiently for his name to be called. Sandy Wilton and Donna Panke are pictured here receiving their diplomas. The graduates remained standing during that ceremony. Some of them are shown silhouetted against the western sky. They were very solemn during the speeches and made it a memorable evening for all.

The Pajama Game

The annual musical, this year 'The Pajama Game,' was presented on April 5 and 6 by the combined choirs under the direction of Richard McMullin. The story behind the 'Pajama Game' is the fight for a seven and a half cent raise in a small pajama factory in the midwest. Humor is added to the plot by the love affair of Hines, the time study man, and Gladys, the sexy secretary. The head of the Grievance Committee, Babe Williams, is fighting with all her might and finds that the road is even harder to follow after she falls in love with Sid Sorokin, the new superintendent. But in the end the raise was granted, Babe and Sid get together, as does Hines and Gladys, and all turns out well.

It's not often that Jackson has a national athlete like Mary Boron. Mary has been in track meets all over the nation, in Detroit, New York, and California. Her collection of medals, trophies, and ribbons is very impressive. Events in which Mary has participated are the discus, the shot-put, the softball throw, and javelin. Mary's greatest hope is to be on the Olympic team from the the U.S. We're proud to have you at Jackson. Good Luck Mary.
